

Charles G. Lischer '64

Charlie passed away exactly the way he wanted: quickly, while riding his bike with friends on Feb 15 in Palm Springs, Calif. After graduating from Williams in 1964, he trained for 5 yrs at Univ. of Colorado and became an orthopedic surgeon. He practiced for 10 yrs in Santa Barbara, Calif, then 30 yrs in St. Joseph, Mi. He was known for his work ethic, generosity, kindness, and his constant smile.

He leaves to cherish his memory his wife of 45 yrs: Mary Anne, his son Bernie, and two daughters: Julie, and Mia. And six grandsons that he treasured more than life.

He was a good man.
